What is a charity run?

- As runner, before the run you find as many donors as possible: friends, relatives, neighbors, companies and/or clubs
- The donors agree to give a certain amount for each lap you complete (400m), or simply a lump sum (see form on the back side).
- You as runner decide how many laps to run on the day of the event.
- The money is then collected from the donors and used to finance projects of the St Jude India ChildCare Centres.

Anyone can sign up: hobby as well as marathon runners, children and teenagers, Nordic walkers or strollers. What counts are your participation and the financial support!
Everyone is welcome!

St Jude India ChildCare Centres

Make a difference in children's lives: Give child cancer patients a roof over their heads. Every year, children, along with their families, travel to large Indian cities from distant towns and villages, in the hope of being cured of cancer, without knowing what awaits them. Though they receive the cancer treatment free of charge, they often have no place to live and end up sleeping on the footpaths outside the hospital, in terribly unhygienic conditions. Under these conditions, the chances for a successful recovery from cancer decrease drastically, even with optimal medical treatment. Often it is a matter of sheer survival.

St Jude India ChildCare Centers is a non-profit organization which provides free of cost housing for these economically disadvantaged children and their parents, along with free nutritional support, transportation to the hospital, and counselling services – a “home away from home”. **Since the organization began, over 2,000 children and their parents have received this much needed support!**

The Rotary Club Zurich Belvoir International supports St Jude India ChildCare Centres in the long-term. The run4change donations from the four previous editions provided over CHF 140,000 for the opening of four centers in Delhi und Kolkata, as well as three centers in Mumbai. Due to the outstanding success of current centres, further centres are planned to follow.

Join us in our cause and engage as a runner, company, or sponsor for run4change! Every donation goes 100% directly to help the St Jude India ChildCare Centres.

We look forward to welcoming you to run4change on July 2nd, 2017 at Sihlhölzli!
